

**MORE CATTLE MARKET.**  
Bull. Circle. The market yesterday was still 400 head changed hands, at rates differing from those of last week. The market was rather more than yesterday but the receipts were reduced last without any change in the price. The cattle were all well fed. Prices today ranged from \$100 to \$120 per head. The general market was very strong, with steers, cows and calves at \$100 to \$120 per head. The general average of the market was 80c extra per 100 lbs. The market was large for the time of year, and good sales were made. Prices ranged from 75c to 85c per head. Prices ranged as follows: -

## READ AND RUN.

Diphtheria is reported epidemic in Indiana. A pipe was put up to be voted for at a New York meeting, recently when Barnum got more than President Grant, and got the pipe. He will doubtless present it to the President, as ever smokes himself.

Madame Webster has closed her long stage career of forty years, having just retired at age 70 in London.

A "whiz" in Washington drew his whip as an army officer who had first threatened with it, and knocked the bully down with its point.

The number of the members of Congress is not settled yet.

An Exchange reporter, that if Chinese are not known how to draw anything else, may say.

Monarchs are accommodatingly invited to provide substitutes for punishment who are always ready to sell their lives provided they are to be used for the trial of their countrymen.

The San Francisco reports a great many Chinese emigration.

When will people learn that the front plates of street cars are the most dangerous of all the plated articles?

The Boston American Cup held in New York many thousand dollars.

Insurance are operated in New York and on the scale on which regular capitalists go to their operations.

Home-made champagne is to be taxed as heavily as foreign.

Very scarce silver mines reported to have been discovered in Utah, some of them more than sixteen miles from Salt Lake City.

Vermont's marble state of Linwood, now the seat of the Capital, calls for unusual attention.

The market was quiet during the week, as the market is good to choice, and grades were \$21 to \$22 per hundred. The market for the best quality of steers and calves has not been good, and the price of stock was a small credit short, but was however still at \$100. The market was large for the time of year, and good sales were made. Prices ranged as follows: -
